

# Anwar Muhamed Adem

## Computer Science Engineer

### About Me

I am a motivated Computer Science graduate with practical experience in administration, inventory management, and technical tasks. I worked as a Purchase and Property Administrator for over 2 years, gained hands-on experience as a storekeeper for more than 6 months, and have knowledge of vehicle spare parts handling. I have a strong interest in computer-related work, including coding and web development. I learn quickly, adapt easily to new environments, and am committed to delivering high-quality, reliable results in every task I take on.

### Key Achievements:

- Successfully managed purchasing and property administration for over 2 years, ensuring smooth operations.
- Gained over 6 months of practical experience as a storekeeper, maintaining accurate inventory records.
- Hands-on knowledge of vehicle spare parts and related processes.
- Strong interest and growing skills in computer-related work, including coding, web development, and IT tasks.
- Highly adaptable, able to take on diverse roles, and committed to delivering quality results.
